US-0204-I

Approved for use through 07/31/2006. OMB 0651-0032 U.S. Patent and Trademark Office; U.S. DEPARTMENT OF COMMERCE Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it contains a valid OMB control number.

DECLARATION FOR LITH ITY OR

Attorney Docket Number

PATENT APPLICATION (37 CFR 1.63)  Declaration Submitted after initial Filing Date Art Unit Examiner Name  Path inventor's residence, mailing address, and citizenship are as stated below next to their name.  It hereby declare that: Each inventor's residence, mailing address, and citizenship are as stated below next to their name.  It believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  The specification of which  as United States Application Number or PCT International Application Number  and was amended on (MM/DD/YYYY)  as United States Application Number or PCT International Application Number  and was amended on (MM/DD/YYYY)  (if applicable).  It hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  It acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.  In breby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 385(b) of any foreign application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application on which priority is claimed.	DESIGN			irst Named Inventor	lannelli,	Anthony M.		
Declaration Submitted OR Submitted after Initial Filing (surcharge (37 CFR 1.16 (e)) required)  I hereby declare that:  Each inventor's residence, mailing address, and citizenship are as stated below next to their name.  I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which  as United States Application Number or PCT International  Application Number and was amended on (MM/DD/YYYY) (if applicable). I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  I acknowledge the duty to disclose information which became available between the filing date of the prior applications, material information which became available between the filing date of the prior application and the national or PCT international in date on the continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international splication which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application having a filing date before that of the application on which priority is calarined.				COMPLETE IF KNOWN				
Submitted With Initial Filing (surcharge (37 CFR 1.16 (e)) required)  I hereby declare that:  Each inventor's residence, mailing address, and citizenship are as stated below next to their name.  I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which  is attached hereto  OR  was filed on (MM/DD/YYYY)  as United States Application Number or PCT International Application Number  and was amended on (MM/DD/YYYY)  (if applicable).  I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filling date of the prior application and the national or PCT international filing date of the continuation-in-part application.  I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 36(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application in which priority is claimed.	(37 CF	7	Application Number					
Submitted OR Submitted after Initial With Initial Filing (surcharge (37 CFR 1.16 (e)) required)  I hereby declare that:  Each inventor's residence, mailing address, and clitzenship are as stated below next to their name.  I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  In the specification of which  I is attached hereto  OR  I was filed on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended on (MM/DD/YYYY)  In the specification Number and was amended by any amendment specifically referred to above.  In acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.  In the post plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application in or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.	Declaration	Declarat	ion	Filing Date				
It hereby declare that:  Each inventor's residence, mailing address, and citizenship are as stated below next to their name.  It believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which  is attached hereto  OR  as United States Application Number or PCT International  Application Number and was amended on (MM/DD/YYYY) (if applicable).  It hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  It acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.  It hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.	Submitted OR			Art Unit		41.81		
Each inventor's residence, mailing address, and citizenship are as stated below next to their name.  I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which  was filed on (MM/DD/YYYY)  as United States Application Number or PCT International  Application Number  and was amended on (MM/DD/YYYY)  (if applicable).  I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.  I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.	Filing			Examiner Name				
Each inventor's residence, mailing address, and citizenship are as stated below next to their name.  I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which  was filed on (MM/DD/YYYY)  as United States Application Number or PCT International  Application Number  and was amended on (MM/DD/YYYY)  (if applicable).  I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.  I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.								
Believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which	I hereby declare that:						i	
Roof Gutter Cover Section With Water Draining Upper Surface  (Title of the Invention)  the specification of which  is attached hereto  OR  was filed on (MM/DD/YYYY)  as United States Application Number or PCT International  Application Number  and was amended on (MM/DD/YYYY)  (if applicable).  I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.  I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.
